Welcome Hawks!

The mission statement of the School Counseling Office at **Spring Woods Middle School** is to assist each student to attain their maximum potential in realizing their high school and post-high school dreams.

This school year, we are happy to introduce our students to **Family Connection** with enhanced features, by Naviance. **Family Connection** offers innovative, easy-to-use web applications for middle school students and their parents. **Family Connection** will help guide students' academic and career choices, as well as providing them with opportunities of self exploration.

Using the programs in Family Connection, students will be able to link to useful websites, surveys and many relevant career and college topics.

The Counseling staff is committed to assisting each of you in experiencing a smooth transition to life after middle school.

Remember, the more you put into this system, the more you will benefit from it!!

If you have any questions about Family Connection feel free to contact the Guidance Department.
