

OPERATION ORANGE

OSU'S MEDICAL SUMMER CAMP

Spend a day in the life of a medical student at Operation Orange, a summer camp for high school students interested in a career in medicine.

Meet with current OSU medical students

Participate in hands-on demonstrations, including:

- Study human anatomy with a heart, lungs and brain
- Perform intubations by using a simulator
- Learn more about career opportunities in the health care field

Dates

- Stillwater, Oklahoma State University – **June 7 and 14**
- Lawton, Cameron University – **June 9**
- Weatherford, Southwestern Oklahoma State University – **June 10**
- Tahlequah, Sequoyah High School – **June 17**

Early registration is encouraged as some camps reach capacity quickly.

To register, visit www.healthsciences.okstate.edu/operationorange
